

# *Truett*

## Conference Center & Camp

*The Lord has been gracious to gift Michael as a pastor, teacher, school bus driver, and maintenance manager. He is able to use many of these gifts in the Hayesville community and on campus at Truett. Lori has also had experience in teaching and retail management, both of which help her attend to the guest needs on a daily basis.*

*Michael and Lori along with their two teens, Grace & Billy, joined the staff at Truett in the summer of 2017. They are thankful that the Lord has preserved Truett Camp “for such a time as this” and love to visit and share with the many guests each year.*

*Michael and Lori enjoy watching their teens play Appalachian music and team sports, and act in Community Theater. In the off- season the Allen family enjoy RVing and spending time with family and friends.*
