Conference Center & Camp

Kenny and Beth have been in full-time ministry since 1998 when Kenny accepted the call to Starnes Cove Baptist Church as an Associate Pastor, and began his seminary work at The Southern Seminary of Louisville. They have served at two churches before entering into full-time camp ministry 18 years ago.

Kenny and Beth have been able to minister both domestically and internationally but love to call Western North Carolina "Home". They have three wonderful children.
