

# TRUETT

## CONFERENCE CENTER & CAMP

Camp is open and operating! North Carolina moved into Phase 2 of the COVID-19 re-opening in May, allowing overnight camps to function again. We are gearing up for a great summer season, and excited to see the Lord at work in the lives of our guests and campers. Camp is needed now more than ever!

Truett cares about our Staff, our Guests and our Community. Because we care, we are following the North Carolina Phase 2 Interim Guidance for Summer Camps. You can read about that [here](#)

**These are a few of the steps Truett is taking:**

- Daily health screenings (including temperature checks) of campers and staff including during check-in
- Keeping cabin groups together
- Providing hand sanitizer in strategic areas of camp
- Daily sanitizing of commonly touched surfaces
- Increasing handwashing
- Continuing to clean at the high standards we have for our camp
- Changing procedures with worship and dining to promote social distancing between cabins

We hope to see you at camp soon!

*Registration  
is Still Open*
