

Truett
Conference Center & Camp

INFORMATION & OBJECTIVE

Truett Conference Center & Camp, a ministry of the Baptist State Convention of NC, desires for all kids to come to faith in Jesus Christ and experience the life changing impact of a week at camp. We also need to balance this with being a good steward of the limited scholarship funds available to us. This application will help us determine how to allocate these funds.

APPLICATION PROCESS

Anyone can initiate an application on behalf of a child, though typically involving the guardian works best to help us get a clear picture of their financial situation. Once completed, please submit the application to Truett Conference Center & Camp (contact information on bottom of this page). All scholarship applications will then be reviewed. After the applications are reviewed, Truett will contact you with the result. There is no guarantee that a scholarship application will result in funds awarded. All scholarship applications should be submitted by May 1 to be considered.

ELIGIBILITY FOR SCHOLARSHIP

1. **Evidence of lack of funds** – Please include:
 - A- an explanation of the need and
 - B- proof of income (copy of page 1 of your 1040 tax form for the current year, child support, unemployment documents, etc. should be submitted: you can black out your SS # and other sensitive information, but it needs to show your name and income to be considered)

***Applications without this evidence will not be processed.**
2. **Applicant Age** – The child needs to be within 7 to 17 to be considered for our summer camp programs.

TYPES OF SCHOLARSHIPS

The camp considers each application individually based on need as well as other influencing factors.

1. **Full Scholarship** – A \$25 registration fee is the responsibility of the camper or sponsor. The remainder of the camp fee is paid by the scholarship fund.
2. **Half Scholarship** – Truett Conference Center & Camp pays 50% of the camp fee, and the camper is responsible for the balance at the time of registration.

GUIDELINES

1. Scholarships are issued for one week of camp per person, per calendar year.
2. Scholarships awarded may be applied toward any week of camp – based on space availability.
3. Scholarships cannot be combined with any other camp discounts.

Truett reserves the right to withdraw a scholarship for the following reasons:

1. **Misrepresentation** – A sponsor or guardian who intentionally misrepresents conditions or circumstances claiming a financial need.
2. **No response** – A sponsor is required to return the registration form with the registration fee within 30 days of being notified they were granted a scholarship or 14 days prior to their arrival, whichever comes first.
